WHO WE ARE

- We are a community based non- profit organization in Ontario operating since 2007 through a dedicated board of directors.
- We serve the community in the areas of health promotion, family enhancement and skill development through community empowerment, volunteer engagement, partnerships, training and community mobilizing efforts.
- We have been working to create stronger, collaborative community networks for awareness and community development with special focus on new immigrants and marginalized families.
- We work in partnership with other agencies, community groups and stakeholders. We rely on sharing our expertise and penetrating the community by using grass roots community development principles.
- We strongly believe in building collaborative networks, coalitions and self-help community support groups at neighborhood levels to achieve common goals.
- We mobilize to develop grass root connections to provide better, unified and structured programs and services connections to the communities.
- Our focus is to be recognized as a partner in providing best possible community empowerment and skill development support to create a healthy and vibrant community, which takes pride and values the families as a root, cultural diversity & inclusiveness for all.

Mission:

To empower the community through skill building, community engagement, bridge building & partnership development.

Vision:

Our vision is to be Canada's most dynamic organization, empowering communities through skill building, volunteer engagement & building bridges to a peaceful, prosperous, safer and healthier life for people everywhere.

We aim to serve Ontarians through community development, health promotion, partnership, family enhancement, culturally appropriate service delivery, developing volunteer resources and promoting diversity and inclusiveness through our community

WHAT DO WE DO

- Arrange dialogues between community leaders and consumers to identify needs.
- Provide volunteer opportunities for internationally trained immigrant professionals to gain “Canadian experience”.
- Youth engagement through practicum placements, summer jobs and event support.
- Women's parental counseling sessions at local libraries.
- Annual heritage and cultural events.
- Annual food drives and food collection campaigns to support local food banks.
- Health promotion seminars and lifesaving skill development sessions for CPR and martial arts.
- Weekly seniors group for local seniors.
- Employment referrals and connections to serve our clients.
- Expert support for community consultations/ focus groups, translations and consultant advice for partners.
- Bridge building through interfaith & inter cultural partner engagements at many different levels
